

## Gary R. Bunt - *Islamic Algorithms* – Bibliography (version 1.0)

This open-source bibliography contains the sources used in *Islamic Algorithms*. For reasons of space, it was not possible to include a physical copy of the bibliography in the book. It is an A-Z bibliography, in which all content has been combined (rather than separate sections for books, journals, URLs, etc). The listing is subject to alteration. Updates will be included on [virtuallyislamic.com](http://virtuallyislamic.com)
